

SecureComm signs distribution agreement with ThinPrint

(Berkel and Rodenrijs, January, 2010) ThinPrint and SecureComm have a distribution agreement. This agreement means that SecureComm includes ThinPrint print management solutions in its Enterprise Solutions portfolio and will distribute them to a broad network of resellers. The advanced print management software from ThinPrint gives resellers a user-optimised printing solution for their customers.

ThinPrint recognises SecureComm as a dynamic, pro-active and value add Distributor with an excellent reputation in the marketplace. Director Raymond Kreefft is also pleased with the cooperation and sees ThinPrint as a valuable addition.

“We are delighted to welcome SecureComm to the ThinPrint Distribution channel and look forward to a long and productive partnership delivering even more expertise, service and awareness of the ThinPrint portfolio to the Benelux market”, says Russell Crawford, Regional Director-ThinPrint AG.

Free demo downloads for Citrix printing, SBC printing, RDP printing, Terminal Services printing and VDI printing are available at the manufacturer’s website: www.thinprint.com/demo.
